04 · ORDER CODE

MHF1-SN1Mx1M.

One code for this product. Check the specification on page 1 before you order.

05 · WORKS WITH

Complete the system

Manifold Ball Valve Set 1" (female x female type)

1 Port Dualmix Manifold Extension

1" Male Manifold Blanking Plug

ALSO WORKS WITH

1 Port Dualmix Extension

06 · FITTING AT A GLANCE

3 steps, details in the install manual

1. Check the O-rings are in place and undamaged.
2. Screw the connector into the first female part, then the second.
3. Tighten until the O-ring faces seat. Do not use PTFE or hemp.

07 · QUESTIONS

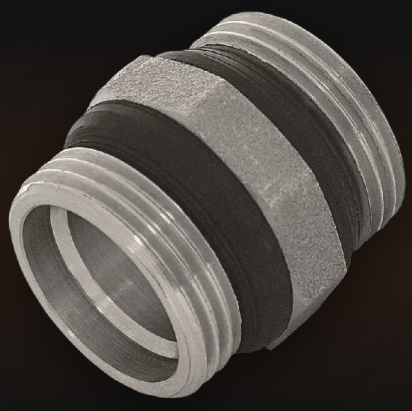

Asked by installers

Do I need PTFE or hemp?

No. The O-ring makes the seal.

What can I connect with it?

Two 1" female parts, such as manifold sections, ball valves, pump sets or end units.
