HEATMISER CONTROLS

Heatmiser Slimline-E Electric Floor Heating Programmable Thermostat 230V

16A electric UFH control, no app.

A 230V programmable thermostat for electric UFH that switches up to 16A and comes with a 3m remote floor sensor. A straightforward choice when the homeowner wants a reliable wall thermostat with no app.

CODE

HM-SLIMLINE-E

PRODUCT

01 · IN THE BOX

What you get

- Slimline-E thermostat
- 3m floor sensor
- Fixing screws

02 · YOU WILL NEED

Tools and materials

- Small screwdrivers
- 35mm deep wall back box
- Voltage tester
- Conduit for the floor sensor

03 · SAFETY

Before you start

- Isolate the mains supply and prove it dead before removing a front plate or wiring any connection.
- A qualified electrician must make the final mains connections, to BS 7671.
- For indoor, dry locations only. Keep within the stated voltage and switching ratings.

04 · INSTALLATION

Fit it in 6 steps.

1. **Isolate the circuit and prove it dead.** The final connection is for a qualified electrician, on a circuit with 30mA RCD protection, to BS 7671.
2. Sink a standard 35mm deep back box and bring in the supply, the mat or cable cold tails, and the floor sensor cable.
3. Lay the floor sensor in a conduit between two heating cable runs, never crossing or touching them, so it can be replaced later.
4. Wire the supply, load and sensor per the Heatmiser diagram supplied (load up to 16A).
5. Fit the thermostat and restore power.
6. Set the programme, and the floor limit to suit the floor finish (default 27°C).

05 · TESTING AND COMMISSIONING

Test, check, then hand over

- [x] Check the floor reading rises when the heating runs and the limit cuts in where set.
- [x] Record the mat resistance readings before and after flooring.

06 · CARE AND MAINTENANCE

Keep it working

- Clean with a dry cloth only.

07 · WORKS WITH

Parts that fit with it

- Electric underfloor heating mats
- MaxHeatUFH Loose Heating Cable
- Heatmiser neoStat-e (the app-controlled alternative)

08 · MANUFACTURER DOCUMENTS

Official Heatmiser documents

Heatmiser Slimline-E datasheet (official)
