UFH PANELS & BOARDS

MaxHeatUFH Castellated Floor Panel 1220 x 820mm 20mm clip-free panel for 15 to 17mm pipe.

A castellated floor panel for wet underfloor heating finished with screed or self-levelling compound. The pipe pushes in between the raised bosses, so there are no clips to fix, and the large 1220 x 820mm sheets make laying fast.
